Your child should have a log in for TTR.
It would be great for them to play at home
regularly.

My Maths homework will be set weekly.

CLASS

We use Dojo to praise great learning and behaviours.

Reflecting

Remo asks: "Do you know your next steps to success?"

Risk Taking

Ruro needs to know: "Do you try challenges that appear tricky and know that mistakes are OK?"

These are our visible learning robots that help us when we are learning.

Ownership

Oro asks: “Do you know what you need to learn and discuss challenges with others?”

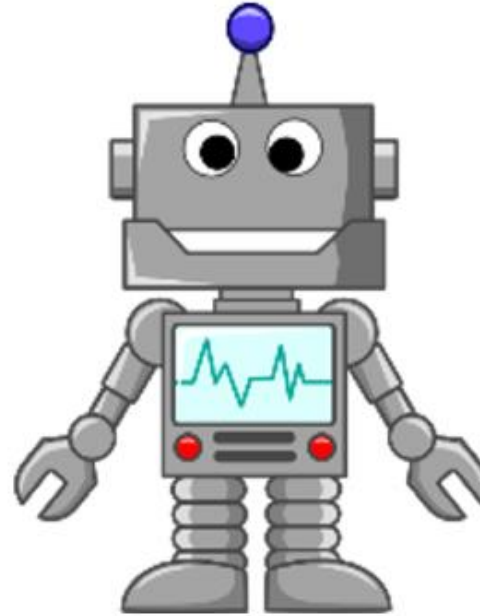

Challenge

Chuuta wants to know: “Do you work your brain as it is a muscle and challenges help it grow?”

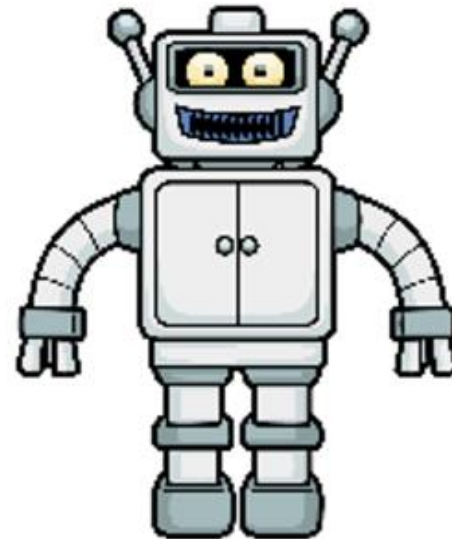

Independence

iitsii needs to know: "Do you talk about what you already know and do you set your own goals?"

Perseverance

Paro needs to know: "Do you try and try again no matter how hard a task may be?"

Plenty to work hard for.

When will my homework be set / due in?

Your child is going to be set **spellings to learn at home** on a weekly basis. The spellings set will link to the focus of the spelling lesson being taught that week and the number of words will be a maximum of ten depending on the level of difficulty. The words to learn will be set via Microsoft Teams every **Monday**. Your child can use a range of strategies to learn their spellings in readiness for a spelling test on a **Friday**. In addition to spelling, the expectation is for your child to **read at home daily**. We will be monitoring their use of Accelerated Reader on a weekly basis. **Topic related homework** will be set once a term via Assignments (linked to Teams). Your child will be provided with a list of activities and we expect to see at least one piece of evidence of an outcome uploaded to Assignments by the end of each term.
