SANTA RUN

THURSDAY 14TH
DECEMBER

We have joined forces with our school staff to host a Santa Run and some after school fun!

More information to follow but in the meantime we would love to hear from..

- Businesses who would like to sponsor our Christmas tree trail. For a £15 donation we would share your business details within the school community and on our social media. A great way to engage new business and support our school.
- Businesses who can help... For example Katie & Mark Cooney who own Officeshopdirect donated hot drinks cups and lids- thank you! We would love to hear how you can help.
- We are looking for stall holders to join us on the day. We have over 400 children plus their families, that's a lot of footfall over a small amount of time. Tables will be available for £10 plus a raffle donation.
- Anyone who is able to donate a raffle prize would be amazing. Last year we raised over £600 with our Christmas Competition! Boxes of chocolate were a big hit.
- Anyone with an employer who can match fund any fundraising, we would love to hear from you as you might be able to help us build our funds!

Fundraising, where does my money go? Fundraising has never been so important...

Our current goal is to support the school plan to update the outside area of the reception classrooms.

The aim is to complete the work in time for the current cohort to enjoy.

All of our fundraising goes back into our school. Recently we have funded the restock of the book vending machine, the lighting of the Christmas tree, reception Christmas gifts, Jubilee and Coronation memorabilia gifts and an ice cream visit for year 6 leavers.
