

POPPY Garden timeline.

After the initial preparation and planting of the poppy seeds, we have been taking photographs each month to show how our poppies and wildflowers have grown. We have recorded all the hard work , preparation and pictures into a scrapbook, which is being sent off this week to be entered into the H.M.S Heroes poppy garden competition. The children would like to share all the photographs on our school page , so everyone can see the results of their team work.

July 2014

As you can see from the photographs the garden looked stunning and the Poppies were huge.

The motto for H.M.S Heroes is 'TOGETHER AS ONE' and that's what made our Poppy garden such a success.
