

January 2024

Dear Miss Warren

The information contained within this letter has been provided in order for you to make the most of the opportunities available for the children at your school and to ensure you get the best value for your subscription to the Plymouth School Sports Partnership (PSSP).

Primary PE and Sport Premium

Ofsted assesses how primary schools use the Primary PE and Sport Premium. They measure its impact on pupil outcomes and how effectively governors hold school leaders to account for this. To assist you with reporting, we have annotated the opportunities in this letter to show how they link to the five key indicators, set by the government in order for schools to secure improvements.

1. increasing all staff's confidence, knowledge and skills in teaching PE and sport
2. increasing engagement of all pupils in regular physical activity and sport
3. raising the profile of PE and sport across the school, to support whole school improvement
4. offer a broader and more equal experience of a range of sports and physical activities to all pupils
5. increased participation in competitive sport

Details of how you spend your PE and Sport Premium funding should be on your school website by the end of the summer term, or by 31 July 2024 at the latest. For more information about the PE and Sport Premium, please visit the GOV.UK website: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>

The PSSP Core Offer and Menu of Opportunities can be found [HERE](#).

For any further assistance, please contact your PE Specialist Teacher or me, and we will do our very best to help.

Thank you so much for your ongoing support and commitment to achieving our vision: creating a sustainable physical education, school sport and physical activity system to improve the health and well-being provision for the young people of Plymouth.

Yours sincerely

Anna Clooke – Partnership Leader

Goosewell Primary School 2023-24 Academic Year

School Games, PSSP and Family Cluster Events
